IN A WORLD OF COMPETING **VALUES...** YOUR IDEAS HAVE **CONSEQUENCES.**

Our ideas about origins, our view of the Bible, our concept of truth—they all determine our worldview. Understanding a biblical worldview and competing worldviews is crucial in equipping Christians to effectively spread the Gospel and protect our minds from ungodly influences.

A Christianity & Culture Weekend is designed to equip you in several key areas:

- 1 Competing worldviews,
- 2 Biblical perspectives on current issues,
- 3 Understanding the implications and consequences of your ideas,
- 4 Strengthen your faith with a consistent biblical worldview.
- 5 Prove the Bible is true, practical and applicable to every area of life, and
- 6 Learn to translate your knowledge into action in the areas of apologetics, evangelism, and leadership.

A Christianity & Culture Conference covers topics central to possessing a biblical worldview, including:

Introduction to Worldviews compares Christianity with rival ideologies and addresses the “many paths to God” lie, etc.

Blind Faith explores the faith required to embrace atheism and ask, “Who has the most reasonable faith?”

Critical Thinking teaches how to use questions to expose the weaknesses of other worldviews and defend your faith.

The Biblical Roots of Order examines social institutions—church, family, and civil government—and how they should inter-relate.

Creation Vs. Evolution focuses on presuppositions rather than squabbling about various interpretations of the evidence.

Servant Leadership describes the five pillars of leadership while equipping Christians to lead as Christ led.

THE TOOLS TO EQUIP YOURSELF FOR THE DAILY BATTLE OF **IDEAS.**
