**EXODUS**

**Sharing Is Caring**

*Exodus 18*

1. Sharing is   **caring**  .

2. Share the   **Ministry**  .

3. Share your   **life**  .

**LIFE GROUP LESSON, MAY 19-25**

1. Is it harder to give or receive criticism?
2. What is the best advice or correction you have ever received?
3. Read Exodus 18. Many events happened in the forty years of wilderness wanderings of the Israelites which did not get recorded in the Bible. Why do you think the visit of Jethro merited an entire chapter in the Bible?
4. What sort of relationship did Jethro and Moses seem to have? What aspects of their interactions stand out to you?
5. Why do you think Jethro felt okay challenging the way Moses was doing his job?
6. If you were Moses how would you have felt about Jethro's advice and why?
7. When someone confronts you about something, what is your internal process in deciding whether to appreciate and take their advice or not?
8. Do you think our current culture encourages or discourages these kind of interactions? What makes you think that?
9. Who are the people in your life who will confront you on something that they think could be better in your life or work? What is your attitude when confronting others?
10. How do you feel about sharing the responsibility you have with the people around you? Is it easy or difficult for you to delegate? Why?
11. This week, think about your close relationships. Do you think people feel comfortable challenging you if they think you may need help? Are you comfortable challenging them? How can you grow in both of these areas?
